

Important Notice about Supporting Microsoft Windows 10

Sep. 2015
C&G SYSTEMS INC.

Dear valued and prospective customers using CGS products,

Please be kindly informed our corresponding status to [Microsoft Windows 10], the latest Microsoft's operating system.

As we notified, on our support-site at 4th/June, that our products were going to support Windows 10, the support version has been determined eventually.

■ Supporting Edition of Windows 10

Our products will support **Windows 10 Pro and Education**.

Edition of Windows 10	Support Status
Windows 10 Home	✗
Windows 10 Mobile	✗
Windows 10 Pro	○
Windows 10 Enterprise/Mobile Enterprise	✗
Windows 10 Education	○
Windows 10 IoT Core	✗

■ Release date of the support version for Windows 10 Pro

The support version and release date are shown as below.

Products	Windows 10 Pro	
	Support Version	Release Date
EXCESS-HYBRID	Not Available	
EXCESS-HYBRID II ^(*1)	V1.1 *Renewal Version	Nov./2015
CAM-TOOL	V12.1 *Nest Release Version	Mar./2016
CG Series for SOLIDWORKS ^(*2)	SW2016 Edition	Apr./2016
NeoSolid.3D-CAM (Surface-Subset)	Planning for Support	
Craft MILL	V10.1 *Nest Release Version	May/2016
AIQ	V9.1 *Nest Release Version	Nov./2015

^(*1) EXCESS-HYBRID II is the renewal product of EXCESS-HYBRID.

^(*2) CG Series conforms to the SOLIDWORKS system requirement.

* English version and Chinese version will be supported sequentially after releasing of Japanese version.

* Delivery to customers may be about 1month later from above release date because shipments will take a while.

When operating non-support version for Windows 10, please use Windows 7 or Windows 8.1, and refrain from purchasing of Windows 10-preinstalled PC, or upgrading your OS to Windows 10. If you have any questions or concerns about this notice, please do not hesitate to contact us.

Thank you very much for your special patronage to CGS and our products.

* Microsoft and Windows 7/8.1/10 are registered trademarks of Microsoft Corporation in USA and other countries.
