<http://www.solidworks.com/sw/support/SystemRequirements.html>

(*2) About International Editions
English and Chinese editions will be released sequentially after releasing Japanese edition.

■ About our technical support for the final support version to Windows 8.1

After the final support version is released, we will support the products until the next version is released (Scheduled in 2021).

■ To customers using Windows 8.1

To use CGS products comfortably, we highly recommend for customers to perform proper preparations, such as introduction of pre-installed PC for Windows 10 Pro or OS upgrade. (Please confirm support status for peripheral device or software as well.)

If you have any questions or concerns about this notice, please do not hesitate to contact us.

Thank you very much for your special patronage to CGS and our products.
